

Stop Motion Animation Workshop

Do you love Wallace and Gromit? Shaun the Sheep?

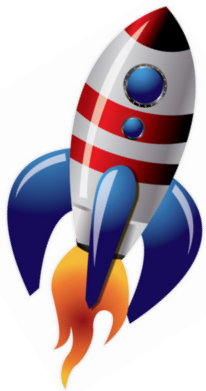

Take part in a fun and unique film animation workshop this Easter holidays.

Make your own characters using claymation Plasticine
Bring your characters to life using stopframe animation.
Record sounds and dialogue for your movie!

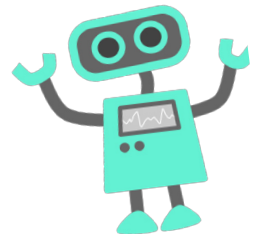

You will devise your own story based on one of three themes
Eggstravaganza, Pirate's Treasure Island or Space Monster Adventure!!

You will receive practical guidance from experienced film animator Lisa Calder
Be using the same software used to make the films
Shaun the Sheep, The Boxtrolls and Frankenweenie.
Professional clay artist Lyn Gallagher will help you model your characters.

A day of fun for £25 per person
Workshop times 10.30am to 3pm
On the 15th April 2015

All materials and equipment will be provided.
The film will also be shared on Facebook and Youtube
for you to show your friends and family.
Please book in advance as places are limited.

At the Bursledon Brickworks Industrial Museum, Swanwick Lane
Swanwick, Southampton SO31 7HB

* Please bring in a USB memory stick if you would like to take a copy of the film home with you on the day *

The Butterfly fx is an Arts Award supporter. This workshop can be counted as part of your Arts Award for taking part in a structured arts activity and creating artwork.

The workshop can be used to help Scouts achieve their Digital Citizen Activity Badge, by creating a piece of digital media.
